FEEDBACK REPORT AND ACTION TAKEN REPORT

2019-2020

The feedback is collected from all the stakeholders (students, faculty, employers, alumni) by all the departments independently. The respective department academic committee (DAC) reviewed the feedback and after deliberations, the committee has prepared a report and submitted for perusal to incorporate the possible suggestions to revise the curriculum. The Affiliated University in turn has changed the curriculum for the academic year 2019-20.

The consolidated feedback and the action taken report are summarized as follows:

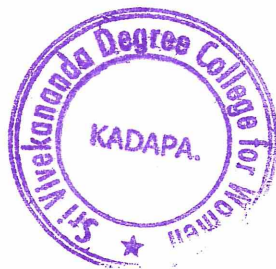

Feedback report from Student-Department of Computer Sciences

S.NO	Feed back	Action taken
1.	Small projects to be included in subject design and analysis of algorithms and other core subjects.	Planning to include the projects for next academic year
2.	More emphasis should be on practical aspects of the subjects such as Programming in C	Question and department handbook provided for practice.
3.	Dress code should be relaxed to have a more comfortable environment.	Dress code is relaxed on Friday and Saturday. However no relaxation will be given during University Tests and End Sem Exam.
